#### RUNGURS OF BUBONIC PLIGUS IN AMOY CONTRADICTED.

warded to us for publication: Amov. 15th December, 1894. Sir.—It has been stated at a meeting of the Hongkoug Sanitary Board that plague had broken out in Amoy, and a report to that effect rent to his Excellency the Governor. The probable result of this report will be that

A may will be quarantined by the authorities of Hongking and the Straits Settlements, such a step thing history enough were there proof or l even well founded suspicious of the existence of plague here. We be ieve the report to be unfounded, and The cause of death was beart disease. would ask copy kind help, in the interests of our common trade, in laying before your Govern-

that no plague exists bere: No doubt a board of the intelligence of the Rougkong Sanitary Board has noted on what it place, considers reliable information. We have no knowledge whence that information was derived. but apparently it does not emanate from the medical officers of the port, nor from H.B.M. Consul. These officials declare the port cleau. and issue clean bills of health, the subject comes under their official duty, and as far as we are aware l no other source of intelligence exists worthy of the least or denom:

To place you in presession of all the information we have on the subject, it will suffice to December and. The escort consists of enclose coming of our letter of 14th instant to Dr. MacDongall, the Health Officer of the port, and of his reply dated this day. We believe H. B.M. Consul makes a report on the same subject to the Governor of Hongkong. and we rely on your invertable courtesvan zeal for the general interests of trade to make anch communication to your Government, as

you may consider matified by the information contained in this enclosures referred to . - I have the honour to be, sir, your obedient servant, (Signed) ROBERT H. BRUCE. Chairman. Amoy Chamber of Commerce.

Honograble J. J. Keswick, Chairman, Chamber of Commerce, &c., &c., Hongkong. Amov. 14th December, 1 94. Dr. M. aDoùgall, M.D., &o., &o.,

denying the xi-tence of any authentic evidence and playing at this cort, and requesting the latter Chamber to make such representations to the Hongkong slovernment as may be called for in At the meeting of the Vicercy's Council to day accordance with the proof we may be able to a Bill was introduced imposing a duty of five

high death rate in the city; just now, and that factures as come into direct competition with Roman Ca halic missionaries, whose knowledge ! of the people a titles their opinions to some weight, express their belief that the prevalent nickness is baboato plague: On the other hand, you grant clean Bills of Health, and we being demanded by the general voice, of that stock. nuderstand that although you have taken excepbional pains to discover a case of plague, you have,

≈o far, not b en successful. Wa would then ore, feel much obliged if you could hand us a latter, which we can forward to longkong and Sugapore, stating your opinion at to this rumour I plague, and your ressons for papers received by the C. N. steamer Taigues :-Holding such opin on .-- Your obadient servant, ROBERT H. BRUCE.

#### Chairman, Amoy Chamber of Commerce.

Amoy, Dec. 15th, 1894 Dear Sir .- Isr reply to your letter of yester slay I beg to state that I have not seen a onse of gue in Amoy. Dr. Wingato and the mis. clementary public education in Russia. onary dectors inform me that they have not s an any cases. Dr. Wingate and myself-have a force native hospital for the treatment of poor existence of any serious epidamio is hardly likely to escape our notice. Soon after bubonic plague was known to exist in Hongkong rumours of its presence here commenced. was very anxious to see a case, if I could, so I off and my native hospital assistants and some untive doctors a coward of 85 to the first man who could show me a can. This led to many invitations to see patients in the city. These typhoid fever has prevailed here for the last awar that no cast of mague has occurred in Amey, but I can and de say that with all my opportunities for observation, and after diligent search for the same. I have failed to find any. Knowing the extreme fithiness of improbable that such an epideminoan have existed his 73rd year. all these months without, by this time, having assumed such alarmin, proportions as to render its existence beyond doubt or question. - I am. dear sir, your obedient servant,

R. H. Bruce, Esq. Chairman, Amoy Chamber

of Commerce
